

Privacy Notice – Body Worn Video (BWV)

Name/Business: George Casson – GC Medical & Security – Sole Trader

Contact: contact@georgecasson.uk

Purpose of Recording

I use body worn video (BWV) to:

- Promote personal and public safety
- Prevent and detect crime
- Record incidents for evidential purposes
- Support professional accountability in security and medical situations

Lawful Basis

Processing is carried out under **Legitimate Interests**, where recording is necessary for safety, incident management, and legal protection.

What Data is Collected

- Video footage
- Audio recordings
- Images of individuals, including members of the public
- Potentially sensitive information (e.g. injuries or medical situations)

How Recording is Used

- Activated only when necessary during incidents or risk situations
- Individuals will be informed where reasonably possible

Data Sharing

Footage may be shared with:

- Law enforcement agencies
- Courts and legal representatives
- Clients where contractually required

Data Retention

- Footage is retained for **up to 18 months**
- Footage relating to incidents may be retained longer where required for legal proceedings

Your Rights

You have the right to:

- Request access to your data (Subject Access Request)
- Request deletion (where applicable)
- Object to processing

Requests can be made using the contact details above.

Data Security

Footage is stored securely using password protection and/or encryption, with access restricted to authorised individuals only.

Complaints

If you have concerns, you can contact the Information Commissioner's Office (ICO).
